Here are entered works on colonies in general and colonialism, subdivided further by Africa, America, Asia, or Oceania, if appropriate. Works on the policy of settling immigrants or nationals in colonial areas are entered under Colonization. Works discussing collectively the colonies ruled by a country or other jurisdiction are entered under the name of the country or other jurisdiction subdivided by Colonies, e.g. Great Britain--Colonies. Headings of the type [country]--Colonies may be further subdivided by the regions and topics that appear as subdivisions under Great Britain--Colonies.

Works on the colonial period of individual regions or countries are entered under the name of the region or country with appropriate subdivision, e.g. India--Politics and government--1919-1947.

Works on the influence of former colonial policies and structures on the existing institutions of former colonies are entered under the current name of the particular region or country with subdivision Colonial influence.

 - Here are entered works about all types of food preparation, including preparation of those foods that do not necessarily need to be heated. Works about collections of recipes are entered under Cookbooks. Works on cooking in specific places are entered under Cooking subdivided by the name of the place. Works on national or ethnic cuisines and styles of cooking are entered under headings of the type Cooking, American, [Chinese, etc.], which may be further subdivided to designate regional styles, e.g. Cooking, American—Southern style; Cooking, Chinese—Sichuan style; etc. Works on an individual style in a specific locality are entered under two headings, one for the style and one for the locality, e.g. 1. Cooking, American—Southern style. 2. Cooking—Georgia—Savannah.

 Here are entered works discussing pidgin languages that have become established as the native language of a speech community. Works discussing lingua francas which are native to none of those using them and are characterized by a simplified grammar and often mixed vocabulary are entered under the heading Pidgin languages. Works discussing auxiliary, sometimes mixed, languages used among groups having no other language in common are entered under the heading Lingua francas. Works discussing languages resulting from the intermingling of phonological, grammatical and/or lexical elements from different languages in areas of intensive language contact are entered under the heading Languages, Mixed.
