Dance music (*May Subd Geog*)
 Here are entered collections of miscellaneous dance music. Music for individual dances is entered under dance form, e.g., Polkas; Waltzes.
 If the work is for a specific medium, a second heading is assigned, e.g. 1. Dance music. 2. Piano music.
 For an individual dance which is assigned a heading that is not qualified by medium, a second heading is assigned if the work is for a specific medium, e.g. 1. Mazurkas. 2. Piano music.
 For works consisting of dance music of an individual ethnic group, additional subject entry is made under the heading [ethnic group]--[place]--Music.

Demographic transition (*May Subd Geog*)
 [*HB887*]
 Here are entered works on the theory that the initial effect of modernization in human societies is a growing margin of births over deaths and an accelerating rate of population growth, and that at a later stage of socioeconomic development the size of the family is reduced by birth control and the birth rate falls, eventually reducing the rate of population growth.

Duets (*May Subd Geog*)
 [M177-M298.5]
 Here are entered collections of compositions for various combinations of two instruments. Collections of compositions for the same two specified instruments, and individual works, are entered under Bassoon and piano music, Violin music (Violins (2)), and similar headings. Collections of compositions and individual works for two unspecified instruments, or for a particular specified instrument and an unspecified instrument, are entered under Duets followed by a parenthetical qualifier indicating the medium of performance.
 Compositions for two solo voices are entered under Sacred vocal duets or Vocal duets.
