**Macedonia**

Here are entered works on the ancient country and kingdom of Macedonia, which later became a Roman province, as well as works on the region in the central Balkan Peninsula of somewhat indefinite boundaries, but including the Macedonia region of Greece, most of the middle Vardar Valley in the Macedonian Republic of the former Yugoslavia, and southwest Bulgaria west of the Mesta River. Works on the jurisdiction and the regions resulting from the division of Macedonia in 1912/1913 are entered under their own names.

Works on the region in northern Greece that includes Dyitikē Makedonia, Kentrikē Makedonia, the Chalcidice Peninsula, and Anatolikē Makedonia kai Thrakē are entered under Macedonia (Greece).

**Malaya**

Here are entered works on the Federation of Malaya prior to its merger into Malaysia in 1963, as well as the present mainland states (i.e., those states located on the Malay Peninsula) of the country of Malaysia. Works on the country formed by the merger in 1963 of the Federation of Malaya, Sabah (formerly called North Borneo), and Sarawak are entered under Malaysia.

As a geographic subdivision, this heading is used indirectly through Malaysia.
